

On making the complex simple:

"The best way to win a proxy contest is to avoid one in the first place."

Bruce Goldfarb
Senior Managing Director and General Counsel

When you work with Georgeson Shareholder, you get the most powerful combination of strengths and resources in the industry. Each member of our team brings keen insights and proven expertise to bear on your particular situation. Which means you'll be armed with the best intelligence, most informed advice and most compelling communications available anywhere. When it comes to proxy contests, corporate governance issues and shareholder relations, no one else brings more to the table.
